

TROOP 755
NORTHVILLE, MICHIGAN

REVOCATION OF TALENT RELEASE

The Troop has photos and occasional video of many troop events and outings on our website. We also sometimes use these in newsletters, courts of honor and other scout-related ways. (*Scouts' last names and addresses are never published on our website.*)

Your permission to use these images is implied under the terms of the BSA Talent Release (<http://www.scouting.org/webmasters/standards/appendix-a.html>) as part of your annual registration agreement.

If you do not want photographs and images of your son to be used this way, please complete this Revocation of Talent Release form.

1. I do not give my permission to Troop 755 to use the photographic, video or other image of my son(s) on the Troop website or in other scout-related ways.
2. I understand that all troop activities are run by parent volunteers. These volunteers will review all photos and videos used by the Troop and will exclude images of your son(s) from use.
3. I do understand, however, that mistakes can occur and Troop 755 cannot guarantee that an image of your son(s) will never be published. If I find an image containing my son(s) has been published, I will contact the Troop leadership (Scoutmaster, Committee Chairman or Webmaster) to request that the image be removed, which the Troop will do so in an expedient fashion.
4. This Revocation is valid for one year and should be renewed consistent with the Scout's annual registration process with the Troop.
